# HERE TO HELP

## Financial Assistance

The Y is a nonprofit association offering opportunities for personal growth and service to others. To support our assisted members, we ask people to complete a confidential application. The Y strives to serve all segments of the community. Within our available resources, every effort will be made to accommodate all who wish to participate in Y programs and services. No one will be denied access to any Y program or service solely on the inability to pay.

Every year, the Kettle Moraine YMCA raises funds through our Annual Campaign, which helps offset the cost of membership and programs for those who qualify for our Financial Assistance, LIVESTRONG® at the YMCA, Diabetes Prevention, and other programs that can increase the quality of life.

### **How is the financial assistance amount determined?**

We offer a sliding fee scale based on the annual gross household income and the number of dependents whether applying for single or family membership.

### **Is it possible to join the Y for free?**

The Y believes a strong sense of ownership and pride is developed if the assistance recipient has contributed to the cost of their Y involvement. Therefore, applicants will be asked to pay a portion of the fee.

### **Will I be treated differently? Will other members know that I am on financial assistance?**

Only you and the membership representative will have access to your application. We track assistance data, but only in terms of numbers and statistics, not names.

### **Can I do anything in return for this assistance?**

Yes you can! The Y is a volunteer based organization. Visit with Human Resources for more information on getting involved.

### **Is assistance available for all programs?**

Yes, assistance is available for both programs and membership. Some programs may have a max limit allowed for assistance.
