All information in this brochure is tentative and subject to change based on each school district’s back to school plan. By enrolling now, you will have first option if any changes occur in your district related to school schedules or distance learning. The Y will communicate with all families if our traditional AM & PM School Age Program is not able to be offered.
Welcome to the Y School Age Program!

The Kettle Moraine YMCA is the area’s largest provider of school age child care, providing care for more than 950 children ages 3 to 13 each day throughout Ozaukee and Washington County. Children are given the opportunity to express their individual talents in a safe and well-supervised atmosphere and parents are free from worry about their children’s care while they are at work. This year, we have added and updated many health and cleaning procedures that can be summarized on the following page. The entire experience for the children is built around activities that challenge them to accept and demonstrate the Y’s values of caring, honesty, respect, and responsibility.

**WISCONSIN SHARES**
Wisconsin Shares is a Child Care Subsidy Program that authorizes funding for a parent to pay a portion of child care fees by using their MyWIChildCare EBT card. If a registration form is submitted but the child is not yet approved for Wisconsin Shares, the child will not be registered until the approval has gone through. On the 1st of each month, funds will be loaded onto the MyWIChildCare EBT card and must be processed by the parent for payment to the YMCA by the 5th of the month, after which the billing office will be able to inform the parent of the remaining balance owed for that month. The remaining parent share will be drafted on subsequent Mondays of the month. Child care authorizations must be in place and current before the child can be registered and attend the program. For more information visit www.dcf.wisconsin.gov/wishares/apply, call 262-284-8200, or call 888-446-1239. Provider Number: 9000559219

**ANNUAL CAMPAIGN SCHOLARSHIP**
The Y has a financial assistance program that awards a percentage off of child care fees to qualifying families based on income. To qualify for a scholarship, families must first apply for Wisconsin Shares. Please note that child care/day camp/school age scholarships are different than membership scholarships. Please email schoolageff@kymymca.org with questions.

**ADMISSION POLICY/SPECIAL NEEDS**
Y School Age Programs are open to children of all abilities. Parents have a duty to disclose significant medical, physical or behavioral needs at the time of enrollment. Due to the large-group format of our School Age Programs, the Y is unable to provide one-on-one care. If your child has unique needs that require a more specific type of accommodation, a meeting must be scheduled with the Leadership Team a minimum of 2 weeks prior to attending program. This allows us to identify the most effective ways of serving you and your child. Children are still expected to maintain the standards of the School Age Program to the best of their ability. Any disciplinary actions that would be required would take their ability into account.

**50% OFF A FAMILY MEMBERSHIP - LIMIT OF ONE PER FAMILY**
Children who are in Y School Age Programs for at least five sessions per week will be eligible for 50% off a family membership valid from September 1st through August 31st. By becoming a Y member, you receive discounts on programs and priority registration for swim lessons, sports and more. Directions to enroll in your family membership will be provided via email. Please contact the Membership Director at your local branch with questions.
