3K PRESCHOOL EDUCATION
For children 3 years old on 9/1/20 or at the time of registration

The 3K preschool program provides all the learning opportunities your curious 3 year old needs to be ready to enter 4K the following fall. Our 3K program begins building early literacy and math skills through a thematic, play based curriculum, created in close collaboration with the 4K staff. Art, science, music and physical education are just some of the many components used to develop specific skills your growing child needs.

Currently enrolled YMCA 3K students will be given preference to the Y for the Port Washington/Saukville School District 4K program (AM/PM section will be determined by PWSSD.) Children who are not yet potty trained are welcome to participate in the class, however parents must remain in the building.

Program Dates:
Class A - Monday/Friday 8:45am – 11:15am
Class B - Tuesday/Thursday 8:45am – 11:15am

Y Members: $135/month | Community Participants: $165/month
A nonrefundable deposit of one month’s tuition is due at time of registration. This deposit will be applied to the first month of the program.

Please visit the Welcome Desk for enrollment information.

I love everything about teaching in 3K. Watching all the students be so excited to learn & make new friends is awesome. Every child is so different, so finding what works for each as an individual and watching them grow is the best!

3K Parent Comments

“We were so satisfied with the Y’s 3K program that we just sent our third child! We will most definitely be enrolling our youngest once she’s of age.”
-3K Parent

“The Y’s 3k program was an incredible first taste of school for my son. The environment was so warm, caring, and fun. His fine motor and pre-literacy skills have really come along!”
