FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

HERE FOR YOU NO MATTER THE SITUATION

Based on our
School Age Program

YMCA Collaborative Learning Program Serving staff and families of Cedarburg School District

As students connect with school through virtual learning, kids and parents alike face unique challenges. Children may struggle to focus and miss the social connectivity that's key to healthy development. Parents may face an impossible choice between working and keeping their children safe and academically engaged at home. The YMCA's Collaborative Learning Program is here to bridge those gaps.

Our Program

- State-licensed program
- Experienced child care staff will support students through the virtual school day
- Students grouped by age level as much as possible
- Physical fitness, healthy activities and time outdoors
- Snacks provided

Hours and Eligibility

- Program operates Monday-Friday 6am to 6pm
- Open to ages 4-13

COVID-19 Safety Protocols

- Daily health screens including temperature checks for staff and students
- Enhanced cleaning and sanitization procedures
- Masks are required for students and parents while inside-masks are not provided
- Masks are required for staff inside and outside

Location

- Thorson Elementary
W51N932 Keup Road
Cedarburg, WI 53012

Kettle Moraine YMCA
